

*Dear IPS Families,*

*It's hard to believe that we are in the last nine weeks of this school year! The month of April is packed full of testing, so please note the dates in this newsletter. We need to emphasize to our students that they must continue to stay focused in class and to practice those math skills at home each night. The best way for our students to be successful is for all of us to work together as a team.*

*Please take a few minutes to complete our parent survey by going to the following link:*

*<https://www.surveymonkey.com/r/R7R5HL2>. Print out the certificate or take a picture of it and send it to your child's teacher and your child will receive a special treat! We value your input as we plan for the next school year.*

*Sincerely,*

*Mrs. Harper, Principal*
