

*Dear IPS Families,*

*As we celebrated the 100<sup>th</sup> day of school last week, we have over half of the school year behind us. January was packed full of celebrations for our Honor Roll students, Terrific Kids and our newly developed program of "Positive Behavior Referrals." When your child is selected for one of these referrals, Mrs. Wells and I will not only share this information on the Morning Show, but we will also be calling to share this exciting news with you!*

*At IPS, safety is of the utmost importance; therefore, please remember that students are not to be dropped off in the front of the school at any time. If you bring your child to school before the tardy bell at 9:15, please pull through our parent drop off in the back of the school. If your child arrives after 9:15, you must walk them into the office and sign them in for a tardy slip. I understand the frustrations that the closing of Highlands Boulevard has created; however, you must still enter the parent pick-up line from that street. Please do not enter from Stadium Road and attempt to merge into the already created lines.*

*Let's continue to work together to make this a positive year for our students. Aesop reminds us that "No act of kindness, no matter how small, is ever wasted."*

*Sincerely,*

*Mrs. Harper*
